

Toolkit Instructions

Purpose

Use this collection of customizable tools to communicate about the Alliance Performance Sharing Program (APSP) and help Alliance-represented workers understand how they contribute to the success of Kaiser Permanente.

Audience

Alliance-represented workers, managers and leaders involved in the Alliance Performance Sharing Program.

How to Use

Customize these templated materials with specific information related to the Alliance PSP goals for your region/market and audience.

What's Included

1. Poster templates

- » affordability
- » attendance
- » quality
- » service
- » workplace safety

2. Alliance PSP Goals at a Glance

Use this template to help UBT members understand goal topics, metrics, and ways they can help meet Performance Sharing Program goals.

3. By the Numbers

Understand the weight of each Alliance PSP goal.
