

LMP JOINT STAFFING TRAINING FOR COALITION LABOR AND KP MANAGEMENT

REGISTER TODAY!

The 2023 Coalition National Agreement calls for implementing our long-standing joint staffing language. As part of this process, all unit-based team co-leads* must complete LMP Joint Staffing Training by March 2025. Don't wait; register for training today!

What:

- » 3.5-hour instructor-led online training
- » Learn how to develop and submit your unit's staffing model and workforce plan
- » Get tools and find support
- » Be ready to launch joint staffing with your unit-based team

Who:

- » UBT co-leads and staffing champions*
- » Team co-leads are encouraged, but not required, to attend the same training session

When:

- » Classes are available September 2024 to March 2025
- » All UBT co-leads* and staffing champions must complete joint staffing training by March 2025

Sign up in 4 easy steps!

1. **Log in to KP Learn** with your NUID and computer password.
2. Find the teal **"JST"** button under **"My Learning"** on the main page.
3. Click **"VIEW"** to find available classes.
4. Scroll to see class offerings or use the **"See Classes to Enroll"** blue button to search for specific dates of class offerings.

*UBT co-lead refers to frontline managers and Coalition-represented employees chosen by co-workers to represent them in the joint staffing process.

Joint staffing training is for UBT co-leads and staffing champions only. Participants will be invited to enroll. For questions, please contact your joint [staffing implementation committee](#).

For more about Coalition joint staffing, scan the QR code.
