SUPERSCRUBS: CROSING TO OUR FUTURE

Cross this bridge to the future?
Getting there looks tricky and unsure.

Idle fear is the risk.
It details progress and partnership.

Don't be too set in your ways.
Keep on learning, it brings new skills.
New horizons, new thrills.

Look ahead, not below.
You haven't got far to go.

We made it to the other side.
Hip hip for us and to our guides.
Planning and prep that helped our passage.
But working together was our key advantage.
